**Damage Deposit:** Persons chartering a boat will be held responsible for all damage, loss or theft to the dolly, the trailer, the boat, or the additional equipment that they have chartered, including blades, spars, sails or any other component thereof which was part of the charter. The boat and equipment chartered are new or like new and must be returned in the same condition as received, void of any tape or tape residue, grip wax, hull numbers, scratches, salt and sand, or defacing markings. To this end, anyone chartering a boat must provide a valid credit card number and deposit before they may take delivery of any charter equipment. In the event of damage, loss or theft of any charter equipment or non-compliance to the charter agreement, the expense incurred in replacing or repairing of the damage will be charged to this card unless another method of payment is agreed upon.

Name Appearing on Credit Card: \_\_\_\_\_ Expiration Date: \_\_\_\_\_

Charters are typically available the day before a regatta. The boats will be picked up from our trailer. Zim will make every effort to have the boat off the trailer and the mast stepped. However, this is not always possible and please be prepared to help unload the trailer and step your own mast. The boat should be returned to the trailer with the mast down and ready to be inspected and loaded onto the trailer. **Charterers must help load the trailer.**

I, \_\_\_\_\_, have read this entire agreement and understand my obligations to Zim Sailing for this charter and understand the penalties that will be incurred if I fail to adhere to this agreement. I am fully aware that Zim Sailing assumes no liability for injury or death sustained in conjunction with use of the chartered boat, equipment or dolly, as sailboat racing is an inherently dangerous sport and those choosing to participate in this type of activity do so at their own risk.
