Who Needs SafeSport Training?

Any US Sailing member or member of a US Sailing affiliated organization who has regular contact with or authority over a minor must receive SafeSport training. SafeSport training is necessary if you plan on interacting with minors through your involvement in sailing. The following list provides examples of those in the sailing community who must complete SafeSport training:

- Coaches
- Sailing instructors
- Program directors
- Race committee members
- Parent volunteers
- Member volunteers
- Event coordinators
- Social coordinators
- Housing hosts
