

COMMITTEE

The protest committee, the race committee or the technical committee.

The race committee (see rule 90.1, Race Committee), protest committee (see rule 91, Protest Committee), and the technical committee (see rule 92, Technical Committee) each have certain rights when it comes to protesting boats, and each can be the subject of a request for redress. To save having to write out the three committees repeatedly, the rule writers have created the term “committee” to use when a rule applies to all three.
