

# **US Sailing Championship Overall Conditions**

applicable to all US Sailing Championship and qualifying events

Publication date: February 28, 2025

# SECTION A PREAMBLE

Section A clauses do **not** rank as "rules" as defined by the Racing Rules of Sailing. As such, boats in a regatta may not protest each other for failure to comply with this preamble, nor base a request for redress on the alleged failure of an organizing authority, race committee, protest committee or technical committee to obey the clauses of this preamble.

#### A1 INTRODUCTION

- A1.1 The purpose of these conditions (abbreviated 'overall conditions' below) is to standardize relevant policies and procedures across all US Sailing Championships and qualifying events.
- A1.2 Throughout this document, the word "club" is defined to include any yacht club, sailing club, community sailing program or other sailing organization that is an organizational member of a Regional Sailing Association (RSA) or US Sailing hosting a US Sailing Championship or qualifying event(s).

# A2 INDIVIDUAL CHAMPIONSHIPS (AND QUALIFYING EVENTS)

- A2.1 All championships and qualifying events shall:

# SECTION B CHAMPIONSHIP RULES

Section B clauses DO rank as 'rules' as defined by the Racing Rules of Sailing and apply at US Sailing Championships and qualifying events.

The notation '[DP]' in a rule of this section means that the penalty for a breach of that rule may, at the discretion of the protest committee, be less than disqualification. The notation '[NP]' in a rule of this section means that a boat may not protest another boat for breaking that rule nor request redress based on that rule. This changes RRS 60.1 and 61.1.
